

USATF Masters T&F Report – Records 10/30/2017 by Jeff Brower

www.usatfmasters.org/records

As of this date, 160 record applications have been processed.

National Indoor Championships 31 (Relays 8, Non-Relays 23)

World Indoor Championships 12 (Relays 2, Non-Relays 10)

Other Indoor Meets 15 (Relays 0, Non-Relays 15)

National Outdoor Championships 20 (Relays 7, Non-Relays 13)

National Throws Championships 9

National Senior Games 11 (Relays 2, Non-Relays 9)

Other Outdoor Meets 62 (Relays 6, Non-Relays 56)

While some of the applications received recently are still under review, the acceptance, rejection and ratification of each application is available at the link above, and will be permanently stored online.

A new ratification procedure was implemented my Masters T&F (MTF) in September of 2017 to ratify records more frequently throughout the year. Using the link above, the current status of records from reception of the application to ratification is available at the link above. USATF MTF no longer utilizes the annual ratification process involving the USATF Annual Meeting.

This new ratification procedure, along with the use of online technology, is improving communication while simplifying the entire process of record applications for athletes, officials and administrators.
