U.S. MASTERS TRACK & FIELD RANKINGS

For 2000

\$8.00

Index

The information for the rankings in this 12th edition of the U.S. Masters T&F Rankings Book was taken primarily from outdoor meets published in the National Masters News in 2000. Marks from unpublished results and documented submissions by individuals are also included.

The compilers of the rankings are volunteers who donate their time and materials. The 2000 rankers were Larry Patz, New Hampshire; Ruth BreMiller, Oregon; David Ortman, Washington; Erich Reed, Oregon; Nadine O'Connor, California; James Gerhardt, Texas; and Phil Howell, Georgia, who did the 2000 Racewalking Ladders. Alan Russell, Iowa, did the Combined-Events Rankings. Some of those volunteers also compile the McMahon Family Trust Indoor Rankings to be published in the NMN in July.

Funds to help compile and publish these rankings and the 2001 indoor rankings were provided by the USA Track & Field Masters Committee.

A question mark after a name indicates a problem with the correctness of the athlete's name or age division; a question mark after the mark indicates uncertainty about its accuracy.

Some combined-event marks have been tagged with a "d" (decathlon) or "p" (pentathlon). When not noted with an "h," times without 10th-and/or-100th-of-a-second digits are assumed to be hand times.

Athletes are urged to send changes to me at P.O. Box 50098, Eugene, OR 97405, or e-mail: jerrywoj@aol.com
