WOMEN ON THE MOVE**

RELAY TIME.....

Let's start planning the our next relay rampage. Please let me know if you are planning on participating in the second annual Dayton Masters Classic in August. Last year with only five women we managed to run and win two relays (4X100 and 4X200). Since it was the first meet, we have the record for those relays. Let's go down this year and repeat the excellent performance we had last with a couple additional teams. Please let me know early so that we can plan our strategy and optimize our teams!!!

RECRUITMENT:

Don't forget the club could ALWAYS use a few more women. Although on paper we have 20 women, there are 2 women out of state, 1 woman expecting, 5 women within the state that no longer or have never competed, that leaves us with 12. Of the 12, 3 are exclusively sprinters and 2 are exclusively long distance. Obviously it is very difficult to put together relay teams in one age group (actually this is impossible). The women that are competing have been VERY flexible and cooperative and have sometimes run out of their range for the sake of the club. In order to have fewer of these situations, LET'S GET OUT THERE AND RECRUIT. That goes for the men too. Get your wives, girlfriends and significant others involved...we need them desperately.

STILL WANTED!

If you know any of the following people, give them a membership as soon as possible. These people were club members in 1991 but have somehow "forgotten" to rejoin for 1992. The Wanted list is as follows:

Bob Beck	40-49	Jon Bixler	50-59	Timothy Brady	30-39
Art Close	20-29	Rich Coreno	30-39	Pam Duncan	40-49

Weinacht, 75, masters 100

Bill Weinacht ran the 100 meters in 13.97 seconds in the Second Annual Naples on the Gulf Masters Track and Field meet at Barron Collier High School on Saturday morning.

What's so unusual about that? Weinacht did it in the 75- to 79-year-old age bracket.

The 75-year-old Weinacht was four seconds off the world-record time in the 100 set by Carl Lewis, who is only 45 years younger.

Weinacht also competed in the 200 meters, finishing in 30.27. He was the only competitor in those two events.

Of the 11 participants from four different states at Barron Collier, Weinacht might have the most interesting background.

Like Lewis, Weinacht has some marks of his own. At the tender age of 68, he established the world record in the 100 in his own class with a 13.2 at the World Masters Championships in Rome. He also is part of the United States relay team in the 70- to 80-year-old division, which has the world records in the 4x100, 4x200 and 4x400.

It's not as though Weinacht has been running all his life. He had a 50-year hiatus from the sport from 1932 to 1982.

"I've been back in it about 10 years now," Weinacht says. "When I was young, I was the city champion in Buffalo. Then I stayed in shape by playing golf, racquetball and handball."

He veered off the track scene to work as a consultant for Maarten Intermodal Expeditors, an import/export firm in Cleveland, but spends four months living in Boca Raton.

"I work my tail off for eight months so I can live down here for four," Weinacht says.

Weinacht finally returned to the track and field scene in 1982 when he entered the Ohio Senior Olympics.

"They were in Cleveland and Akron and I entered about 12 or 14 events," he said. "I was the Senior Olympic champion in the 100, 200 and 400."

After visits to Puerto Rico, Italy and Australia he climbed to second overall in the world; he had his eye on the top spot when he travelled to Finland for the World Masters Championships last year. Competing against more than 5,000 participants from 53 countries, things didn't work out as Weinacht planned.

"I was sick as a dog and I finished eighth overall," he says. "I wasn't in good shape, and I didn't like it."

Weinacht plans to make stops in Raleigh, N.C., and Cleveland in the next couple of months before competing in what he calls "the highlight of the year" at the National Masters Championships in Spokane, Wash., in late August.

However, that's only a prelude for the '93 National Masters Championships in Japan.

In the race Saturday, there were runners from New Mexico, New Jersey and California. Over 30 cities in Florida were represented.

The oldest runner was 78, while the youngest was

TAC NATIONAL MASTERS TRACK AND FIELD CHAMPIONSHIPS

Spokane, Washington • Spokane Falls Community College • August 13-16, 1992

GENERAL INFORMATION

Meet Directors:

Vernie Foxley (509-533-3644)
Maury Ray (509-533-3631)
FAX - (509-533-4128)

ELIGIBILITY: Competition is open to all men and women 30 years of age and older. Age on August 13, 1992 will determine the competitor's age group. Individual competition will be held in age groups of five year increments starting at age 30. Relays will be held in age groups of 10-year increments. Proof of registration with The Athletics Congress will be required from all U.S. nationals at on-site registration. Foreign competitors are allowed to compete, but need to provide similar proof of registration from their country's governing body. Proof of date of birth will be required from all competitors at on-site registration. A driver's license, passport or birth certificate will be acceptable documentation.

AWARDS: TAC Championship medals will be awarded to the top three U.S. nationals in each age division of each event final. Duplicate awards will be given to foreign athletes who place. Competitors will receive a certificate of participation.

ENTRY FEES AND PROCEDURES: Entry fee is \$20 for first event, \$15 for second event and \$10 for each subsequent event; pentathlon \$20; and relay \$40 per team (must be pre-entered). The entry fee includes a t-shirt to be received at on-site registration. All entries must be received by July 13th, 1992. Confirmation of entry will be sent within seven days or no later than July 20, 1992. No entry will be considered complete unless it is accompanied by payment of fees, in full. There will be no refunds of entry fees for any reason. Changes after July 31 will be made only if lanes are available in existing heats.

LATE ENTRIES: The absolute final date for entries will be July 31, 1992, with \$20 late fee charged and no confirmation.

ON-SITE REGISTRATION & PACKET PICK-UP: Packets consisting of number, t-shirt and updated schedule and information will be available at track site beginning Wednesday, August 12 from 9 a.m. to 6 p.m. Other meet information will be mailed with entry confirmation.

ACCOMMODATIONS: We have negotiated special housing and meal packages which are lower than normal rates. All packages include taxes. Accommodations range from economy, moderate and superior, starting at \$186 for three nights double occupancy. Meal packages include continental breakfast for four days for \$10, and lunch and dinner package for four days for \$40. Meals, provided by Marriott, will be "all-you-can eat," with vegetarian entrees always available, as well as seasonal, fresh fruit. Separate meal prices are higher. We can accommodate special dietary needs upon request. Also, airline tickets are available at discounted prices. Time To Travel (509-533-8898, FAX 509-533-8836) can give you quotes on all air, accommodation and meal packages. Please feel free to deal with your own travel agent, however, our prices will be much lower. Special discounts will be 10 percent off land packages with purchase of air transportation prior to May 1; 5 percent off land packages only when purchased prior to May 1; and 5 percent off land packages with purchase of air transportation prior to June 1. Call to have more information sent to you.

OFFICIALS: Most officials and all head officials will be nationally or master-ranked TAC certified officials from across the United States.

ADMISSION (For Non-Competitors): \$2.00 per day, \$5 for three-day pass, \$6 for four-day pass.

VENUE: Newly remodeled, full-depth polyurethane, 400-meter track with eight 48-inch lanes. Fully automatic timing will be used. Only 1/4 inch spikes may be used.

Tentative Schedule of Events
Final schedule will be included in each athlete packet upon check-in in Spokane.
Age groups may be merged into one race when the entries are not adequate for a full field.
