OVER THE HILL TRACK CLUB
MAY/JUNE, 1992
WOMEN ON THE MOVE

RELAY TIME.....
Let's start planning the our next relay rampage. Please let me know if you are planning on participating in the second annual Dayton Masters Classic in August. Last year with only five women we managed to run and win two relays (4X100 and 4X200). Since it was the first meet, we have the record for those relays. Let's go down this year and repeat the excellent performance we had last with a couple additional teams. Please let me know early so that we can plan our strategy and optimize our teams!!!

RECRUITMENT:
Don't forget the club could ALWAYS use a few more women. Although on paper we have 20 women, there are 2 women out of state, 1 woman expecting, 5 women within the state that no longer or have never competed, that leaves us with 12. Of the 12, 3 are exclusively sprinters and 2 are exclusively long distance. Obviously it is very difficult to put together relay teams in one age group (actually this is impossible). The women that are competing have been VERY flexible and cooperative and have sometimes run out of their range for the sake of the club. In order to have fewer of these situations, LET'S GET OUT THERE AND RECRUIT. That goes for the men too. Get your wives, girlfriends and significant others involved...we need them desperately.

STILL WANTED!
If you know any of the following people, give them a membership as soon as possible. These people were club members in 1991 but have somehow "forgotten" to rejoin for 1992. The Wanted list is as follows:

Bob Beck 40-49 Jon Bixler 50-59 Timothy Brady 30-39
Art Close 20-29 Rich Coreno 30-39 Pam Duncan 40-49
Deborah Ellis* 30-39 Mike Gallagher 30-39 Chris Horton* 20-29
Bob Kuebler 40-49 Debbie Lancaster* 20-29 Dave Lee 40-49
Dick Mann 50-59 Warren Miller 40-49 Lenka Seda 70-79
Leslie Thomas 70-79 Patricia VanHooK* 40-49 Cecil Washington 20-29
Richard Whitehead 40-49 Jeff Witherite 15-19

Weinacht, 75, masters 100

Weinacht ran the 100 meters in 14.97 seconds in the Second Annual Naples on the Gulf Masters Track and Field meet at Barron Collier High School on Saturday morning.

What's so unusual about that? Weinacht did it it the 75- to 79-year-old age bracket.

The 75-year-old Weinacht was four seconds off the world-record time in the 100 set by Carl Lewis, who is only 45 years younger.

Weinacht also competed in the 200 meters, finishing in 30.27. He was the only competitor in those two events.

Of the 11 participants from four different states at Barron Collier, Weinacht might have the most interesting background.

Like Lewis, Weinacht has some marks of his own. At the tender age of 68, he established the world record in the 100 in his own class with a 13.3 at the World Masters Championships in Rome. He also is part of the United States relay team in the 70- to 80-year-old division, which has the world records in the 4x100, 4x200 and 4x400.

It's not as though Weinacht has been running all his life. He had a 50-year hiatus from the sport from 1932 to 1982.

"I've been back in it about 10 years now," Weinacht says. "When I was young, I was the city champion in Buffalo. Then I stayed in shape by playing golf, racquetball and handball."

He veered off the track scene to work as a consultant for Maarten Intermodal Expeditors, an import/export firm in Cleveland, but spends four months living in Boca Raton.

"I work my tail off for eight months so I can live down here for four," Weinacht says.

Weinacht finally returned to the track and field scene in 1982 when he entered the Ohio Senior Olympics.

"They were in Cleveland and Akron and I entered about 13 or 14 events," he said. "I was the Senior Olympic champion in the 100, 200 and 400."

After visits to Puerto Rico, Italy and Australia he climbed to second overall in the world; he had his eye on the top spot when he travelled to Finland for the World Masters Championships last year. Competing against more than 5,000 participants from 53 countries, things didn't work out as Weinacht planned.

"I was sick as a dog and I finished eighth overall," he says. "I wasn't in good shape, and I didn't like it."

Weinacht plans to make stops in Raleigh, N.C., and Cleveland in the next couple of months before competing in what he calls "the highlight of the year" at the National Masters Championships in Spokane, Wash., in late August.

However, that's only a prelude for the '93 National Masters Championships in Japan.

In the race Saturday, there were runners from New Mexico, New Jersey and California. Over 30 cities in Florida were represented.

The oldest runner was 78, while the youngest was...
