Message from the President

(Age in parentheses)

Thanks to everyone who participated in the North Coast Invitational, especially those who helped with the meet. A special thanks to Pat Thomas who did most of the organization of the meet including getting the medals and taking care of registration. Thanks also goes to Norm Thomas for being our clerk of course and for fielding numerouse phone inquiries about the meet. Richard Russell and Rex Harvey, though they did not compete, showed up to assist in any way they could — and we probably would not have been successful without their help. Also, thanks to Jeff Gerson who obtained the facility and got nine workers to help with the meet. Although the turnout was small, we received very positive feedback from the participants. The only disappointment was that very few club members showed up to participate and/or help with the meet. All in all, though, the meet was a great success.

## Attention All Members!!!

The Cleveland Track Classic is less than two months away and we need everyone's help to successfully put on this meet. Please call Debbie Yurth or Pat Thomas to let us know how you can help. We had to pay nine workers to help at the North Coast Invitational because we did not get enough help from club members. Please invite you spouse, children, and friends to help out also. We will use all the help we can get.
