Volume 2, Issue 5

President's Message...

Hello, as you are quite well aware of the 25th Annual Cleveland Track Classic which was to be held on Saturday, July 26, 2003 was cancelled due to lack of a specified venue. Instead the USATF Lake Erie Championships will be held at Cleveland Heights High School on the same date, opening at 8 AM The entry form is included in this newsletter and at our club store on Mayfield Road, Second Sole.

It is important to note that we will have the 25th Annual Cleveland Track Classic next year. This meet will commemorate is our Silver Anniversary, and it should be a big event or big deal to all of us because of its importance. It was cancelled this year because we did not have the total commitment by us to see it through. This means that our club is at a major crossroad. I choose to see this as something positive, an opportunity to really be great, especially at a time where meets are being cancelled all across this great nation of our. But the few of us who have volunteered over the years can not and should not do it alone. To accommodate your many requests, the meet will be broken into stages with the open and masters athletes competing in the morning and the youth competing in the afternoon. My fellow club members, if you are competing in the morning and once your events have concluded, we will need your assistance in the afternoon Let's not ever repeat this error. Let us triumph in glory next year in commemorating our 25th and Silver Anniversary. We owe it to ourselves, once again. to be mighty, powerful, and great. We are a World Class Club

I am so very, very sorry I did not include Barry Kline's performances at USATF Indoor Nationals in Boston. He won the National Silver Medal in the High Jump and the
