& For those who are new to amateur track and field, you should know that the highest governing organization of the sport of athletics (which includes track and field) is the international Amateur Athletic Federation (IAAF). It is convenient for most aspects of the sport to use their rules, so called Olympic Rules. This is particularly true in the case of the combined- or multi-events, especially the Decathion and Heptathion and thus the other formerty recognized Pentathion, Weight Pentathion, and Triathion events. In the U.S., the National Governing Body [by Federal Law] is USA Track & Field (formerty The Athletics Congress of the USA), which is abbreviated USATF. USATF has a volunteer structure of elected officers with numerous committees to cover every possible subject of concern. Major decisions and elections are made at the annual convention held in early December of each year. A small paid staff is employed to carry out daily business. The principal governing subdivisions of USATF are territories known as Associations, which are typically a part of or one or more states. In Ohio, we have the Lake Erle Association of USATF to govern the remainder of the state.

NOTES: USATF specified throwing implements will be used in all events. Many of the Masters implements are not indicated on this schedule.

G - girls, B - boys, W - women, M - men, NF - NFSHSA

* These events will be held at another location. Please refer to the Head Field Judge for information and directions.

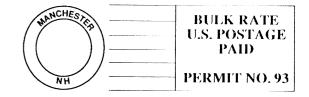

New IAAF Scoring Tables were issued in 1985 for the Heptathion Events, the Decathion Events, and the Men's 200M Dash. Crossover scoring has been specifically authorized for the Women's 100M and the Men's 800M. By implication crossover scoring will be used for the Women's 400M, 1500M and discus throw. Until Supplementary Tables are issued for the other events, we will use the Old Scoring Tables for the events not covered by the New Scoring Tables. MAY 1994 WOLFPACK WEIGHT PENTATHLON
