THE 5th EUROPEAN VETERAN GAMES

28 JULY — 2 AUGUST 1986

MALMÖ, SWEDEN

Ett knapp-tryck på vår nya telefax och både post och bud verkar stå stilla.

Får vi presentera marknadens minsta telefax med inbyggd nummerslagning?

Den heter Canon Fax 220 och är en riktig liten rackare. Den får utan vidare plats på ditt skrivbord.

Och är så enkel att bruksanvisningen nästan gör oss generade: Lägg på ditt dokument. Tryck på knappen. Det är allt.

Femton sekunder senare har din affärskontakt en kopia av dokumentet.

Canon Fax 220 har inbyggt minne för tio snabbnummer, till dem du vill nå med ett enda knapptryck.

Dessutom har den ytterligare minne för femtio kort-nummer.

Är det upptaget i andra ändan ringer den själv upp igen. Och du kan lugnt lägga på fler dokument, den matar alldeles själv.

Ja, den har till och med en timer som kan sända dina dokument vid en förutbestämd tid.

Avslöjar vi därtill att Canon är Europas

största faxleverantör och har faxar för alla användningsområden, så skickar du nog in kupongen ögonaböj.

Ja, jag vill veta mer om Canon FAX 220.

Ja, ring mig, jag vill ha en demonstration.

Ja, skicka katalogen med Canons hela kontorsmaskinsprogram.

Dear Veteran friends,

the management of a Continental Veterans Association so important as our EVAA is, becomes more and more difficult and hard, but when arriving in that hosting town MALMÖ, I will see once again thousands of friends together enjoying competitions, I realise and confirm to myself that it's well worth to do so for our activity.

This is my felling and that of the whole EVAA Council on behalf of whose members I extend to all of you, the warmest welcome. Concerning the Organizers, it will be up to you, directly effort: "Personally I would only say that since the beginning I had the impression, that I have to do with enthusiastic and competent persons, having also visited two times and seeing excellent facilities. Let me tell you that I'm sure that another big success is coming up to our Championships during the years.

Looking at the future, the candidate for 1988 is the splendid romantic town of Romeo and Juliet: VERONA. It is duty of the Resonsibles of the Town, athletic Federation and National Veterans body (the IMITT) to give to all of you guarantees and details on technical and financial problems, organization, accomodations and other matters on which basis you could favourably consider this bid. By my side I would like to tell you that I know and personally assure you that the experience coming from all previous European Championships and the World Championships ROMA '85 is available in order to give you the best.

Finally, the EVVA 1988 Championships are those of the Decennial, after the first edition in Viareggio 1978: it's for me a reason more for taking particularly care of them and prepare the new period.

CESARE BECCALLI

President of European Veteran Athletic Association

The 1986 European Athletics Championships for Veterans

We in Malmö are happy and proud to have the honour of holding the 1986 European Athletics Championships for Veterans, the fifth in order. These championships give a lot of famous athletes the opportunity of meeting and competing once again on the athletics field.

Athletics creates a great number of invaluable contacts across national boundaries and contributes in no little way to better understanding between people of different countries. The European Athletics Championships for Veterans renews and further cements friendships already formed in the past.

It is quite clear that the city chosen to hold the European Championships for Veterans receives tremendous publicity, and a great number of visitors: the competitors, followers and spectators who come to attend the games. This year, the Championships also give the inhabitants of Malmö the chance of watching the top athletes of earlier years in action. The city has, in other words, a lot to gain from holding these games and, therefore, we will do our utmost to make sure that this athletics week in Malmö is a resounding success. The Municipal officials, who have been involved in arranging the games, have all been extremely enthusiastic in their efforts.

In my capacity as Chairman of the Malmö City Council, I wish all the competitors success in the Championships, and I welcome them, their followers and all the other spectators to our city.

Thank you.

PERCY LIEDHOLM
Chairman of the City Council
of Malmö

Veteran-EM 1986

Vi i Malmö är glada och stolta över att få arrangera femte Veteran-EM 1986. Veteran-EM ger en rad kända idrottsmän möjligheter att ånyo få träffas och mäta sina krafter inom idrottens fält.

Idrotten skapar en mängd värdefulla kontakter över nationsgränserna och bidrar därigenom att öka förståelsen mellan folken. Ett Veteran-EM förnyar och fördjupar redan skapad vänskap. Ingen kan förneka den stora publicitet Veteran-EM ger åt den stad i vilken det hålls. Ett stort antal deltagare, ledsagare och åskådare kommer att övervara spelen. Mästerskapen ger även malmöborna möjlighet att se gångna tiders främsta idrottsmän i aktion. Staden har med andra ord mycket att vinna på spelen, och vi kommer därför att göra vårt yttersta för att under den veckan mästerskapen pågår på alla sätt hjälpa till att göra den till en framgång. De som från stadens sida deltagit i spelens arrangemang har känt en mycket stor entusiasm inför uppgiften.

I min egenskap av kommunfullmäktiges ordförande önskar jag alla deltagare framgång i mästerskapen och alla ledsagare och övriga åskådare välkomna till Malmö.

PERCY LIEDHOLM
Kommunfullmäktiges ordförande

Dear fellow athletes,

It is with great pleasure that I welcome you, on behalf of the Organizing Committee, to Malmö and the 1986 European Athletics Championships for Veterans.

It is our hope that the Games here shall be held in the true sporting spirit and that long-standing friendships between athletes from all over Europe shall be renewed.

Approximately 2,500 competitors from 22 nations have entered the Championships, so the competition for medals is going to be very hard indeed. We are confident that our sports arenas, which in past years have seen such famous athletes as Wilma Rudolph, Herb Elliott and Carl Lewis thrill spectators with stunning track performances, are of the necessary standard to ensure first-rate conditions for all participating athletes.

Apart from the actual competition arrangements themselves, Malmö has a great deal to offer competitors in the way of entertainment and places of interest. For example, there is Folkets Park, a large modern amusement park, while the Malmö City Hall, built in 1546, and St. Petri Church, which dates back to the 14th century, are only two of the many outstanding historical buildings in the city. There are special art, marine and technical museums; the latter provides, among other things, the chance of making a close-up study of a modern fighter-plane. There are abundant, many faceted records of the different periods in the history of the city.

We truly wish you an enjoyable and memorable stay in Malmö.

ARNE LUNDBERG

President of Organizing Committee

Idrottskamrater

På Organisationskommitténs vägnar hälsar jag Er välkomna till Malmö och 1986 års Europamästerskap i fri idrott för veteraner.

Det är vår förhoppning att tävlingarna här skall bjuda på god sportsmannaanda och förnyade goda vänskapskontakter med kamrater från hela Europa.

Cirka 2.500 tävlande från 22 nationer har anmält sitt deltagande varför konkurrensen om medaljerna blir stor. Vi tror att våra idrottsarenor – där tidigare bl a så världsberömda stjärnor som Wilma Rudolph, Herb Elliott och Carl Lewis tjugat friidrottspubliken med strålande insatser på löparbanorna – skall bjuda på goda betingelser för rättvisa tävlingar.

Malmö har mycket annat än förstklassiga tävlingsarrangemang på idrottsbanorna att bjuda den tävlingsfrie EM-deltagaren. För den nöjesintresserade finns t ex Folkets park med ett stort modernt nöjesfält med många möjligheter till förströelse. Den historiskt intresserade har möjlighet till ett studium av Malmö rådhus byggt 1546 för att inte tala om Petri kyrka med anor från 1300-talet. Konst, sjöfart och teknik finns representerade i speciella museer, där det bl a bjuds möjlighet för den tekniskt intresserade att studera ett jaktplan av modernaste slaget. Malmös historiska utveckling finns väl dokumenterad i olika sammanhang.

Väl mött till trevliga och minnesrika dagar i Malmö.

ARNE LUNDBERG

Ordförande,

MALMÖ STADION

------	----------	--	--	--

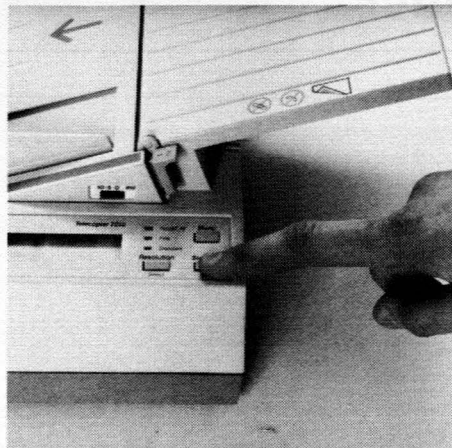

Det här är det stressade ansiktet på en säljchef som snabbt måste skicka tre offerter från sin skärgårdsö till Hongkong, London och Malmö.

Men den här säljchefen vet att han inte har längre väg till sina affärskontakter än en halv minut tack vare Xerox nya telefax 7010. Därav hans lugn.

Var han än befinner sig kan han ta med Xerox 7010. Den är så liten att den ryms i en portfölj. Det enda som behövs är telejacket. Sen kan han skicka dokument vart som helst i världen. På 25 sekunder.

Frågan är om det finns en mer lättskött telefax. I ett fönster talar den om hur du skall göra. På svenska. Och kopiekvaliteten är nära nog i originalklass.

XEROX® och RANK XEROX® är registrerat varumärke.

Jag vill heller aldrig bli strandsatt när jag måste skicka viktiga dokument.

- Mer information om nya Xerox Telefax 7010, tack.
- Jag vill även veta mer om hela dokumenthanteringskedjan. Det som kallas Document Management.

Ett café är inte bara en mötesplats.

Det är också dit man går för att äta och dricka gott.

Där pratar man i lugn och ro.

Där dansar man till långt in på natten.

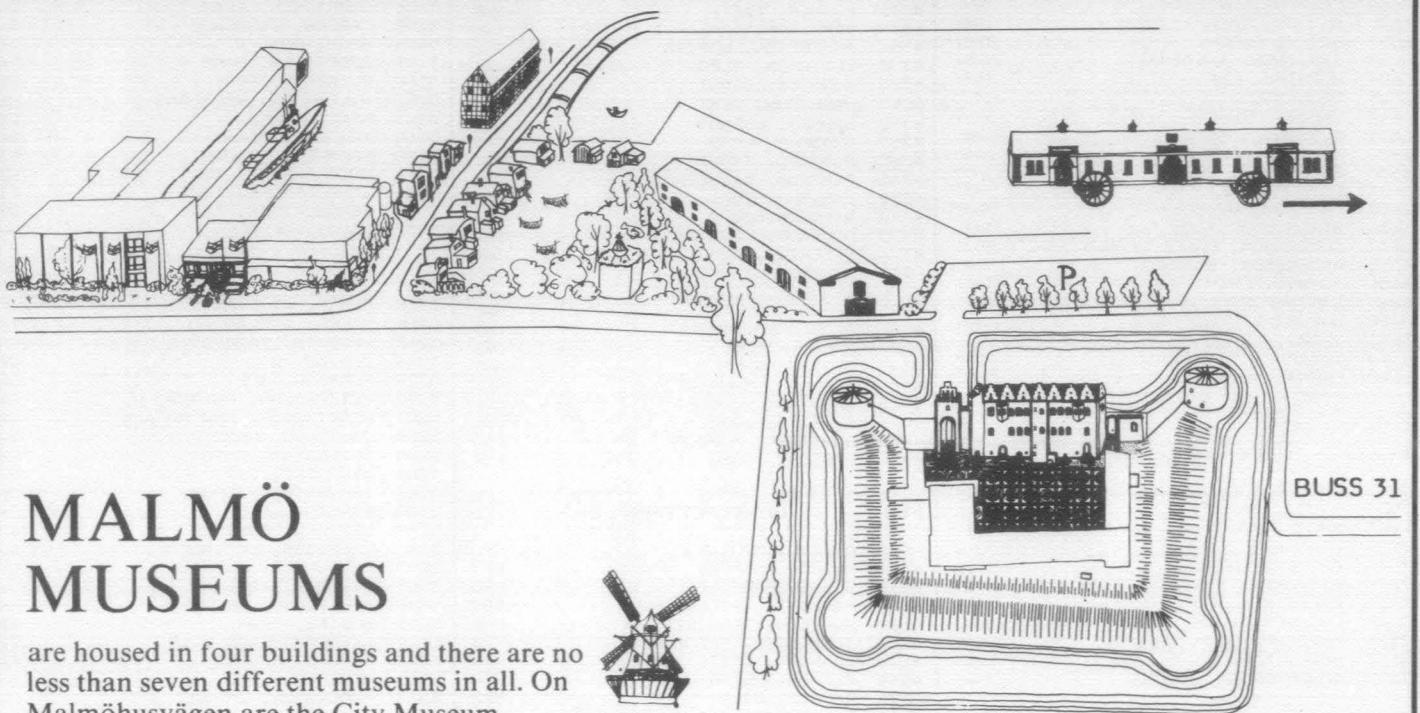

Där möter man nya glada människor och där uppstår ljuv musik.

I Malmö finns det bara en sådan mötesplats. Caféet, Savoy.

Den klarar dubbelt så mycket men är bara hälften så stor.

Inget ont om min gamla skrivmaskin, den fyllde en stor plats i min tillvaro. Inte minst på mitt arbetsbord.

Och av dess muntra knattrande kunde alla förstå, även dom längst bort i korridoren, hur hårt jag jobbade.

Men min nya skrivmaskin är det verkliga lyftet. Det är nämligen en Canon AP 100.

Mycket mindre och mycket tystare. Ändå gör den mycket av det jobb som jag förut måste göra själv.

Funktioner som radbyte, understreckning, centrerung, decimaltabulering och korrigerung av hel rad gör den automatiskt.

Och i sina formatminnen kommer den ihåg saker som marger och tabstopp.

Ja, den kan till och med kopplas till Canons bildskärm och klara riktig ordbehandling eller kopplas till dator som skönskrivare.

Du förstår nog varför jag är ganska såld på min nya Canon.

Och då har du ändå inte hört det bästa än. Trots alla finesser, kostar den faktiskt långt mindre än de flesta andra skrivmaskiner för kontoret. Välkommen

Canon AP100

Finns även med 2-10 000 teckens internminne och heter då Canon AP150.

3. Malmö Idrottsplats
4. Baltiska Hallen
5. Bussterminal
6. Skyline Hotel

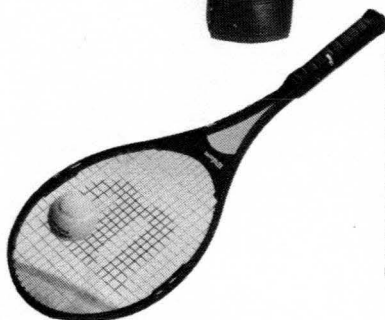

Kan du ta emot en passning?

Förlåt frågan. Visst kan du som idrottsvän och idrottsutövare ta emot en passning, inte sant?

Pass på! Här kommer en breddsida:

Kurhotellet

i Tyringe erbjuder ett brett utbud av möjligheter till aktiviteter i omedelbar närhet till hotellet. Ja, som längst är "närheten" fem km, nämligen till Skyrupsgården. Där ligger Hässleholms Golfklubbs natursköna 18-hålsbana och fina löpslingor.

Nära Kurhotellet finns löpslingor av varierande längd. Några är upplysta kvällstid. Utomhusbad finns inom gångavstånd.

Två tennisbanor med Plexiplay-underlag (samma som i Kungliga hallen i Stockholm) finns vid Kurhotellet — och två vid Skyrupsgården. Där finns som alternativ till golfen också bangolfbana.

Vi har ett 30-tal konferensutrymmen. Från grupprum för åtta till kongressal för 250 personer. Vi har stor erfarenhet och den utrustning som du behöver.

Kurhotellet har 129 förstklassiga rum och på Skyrupsgården finns 26 bäddar.

Köket, både i Kurhotellet och på Skyrupsgården, är av hög klass. Fullständiga rättigheter.

**Nu är det din tur.
Passa tillbaka!
Kurhotellet i Tyringe
tar emot!
Välkommen!**

Uppvärmd fotbollsplan anläggs vid hotellet i år. (Klar 1/3 -87.)

I Tyrs Hov

som är Tyringes fina idrottscentrum finns idrottshall, bowlinghall, ishall och simhall, ja möjlighet att utöva de flesta inomhusidrotter. Många kurser förläggs till Tyringe.

Vi passar dig

även på andra sätt. Kurhotellet är ett av södra Sveriges största konferens- och kongresscentra, anlitat av såväl svenska som utländska organisationer, föreningar och företag.
