California Senior Games Championships June 3 - 17, 2006

HUBBA HUBBA!

Congratulations on your participation in the 2006 California Senior Games Championships and on the level of athletic excellence you brought to our community this Spring! 1,978 senior athletes converged on the San Gabriel Valley from all parts of the country and competed in 25 different sporting events in June. You accepted the challenge to participate in a competition of endurance, strength, agility, perseverance, speed, skill, and good sportsmanship. Win or loose, we congratulate you on your endeavors - you are truly an inspiration to us all!

Whether you consider yourself a "senior" at 50, 60 or even 90, you have spent much of your life demonstrating the importance of fitness by regular training and proper nutrition. You have raised the bar to all seniors in motivating them in their quest for a healthy lifestyle. Physical activity truly is the key to healthy aging.

A Personal Thank You

On a personal level, Katie and I want to thank each of you for your support of the State Championships and for proving that leading a healthy and active lifestyle is the key to longevity.

We do not know of another "healthy lifestyle" program that makes such an impact on people's lives. Individually, you have endeavored to achieve your personal best. Collectively, you have striven to help your fellow athletes achieve the un-achievable. And, you have accomplished both. We salute you! You represent the best that California has to offer.

We also want to thank you for being our friends and our "extended" family for 16 days. We hope that Senior Olympics has made an impact on your lives. We know that it has on ours. We are indebted for the passion that you have instilled in both of us.

Save the Date!
