LETTER TO ATHLETES

Congratulations on your participation in the 2011 Pasadena Senior Games and on the level of athletic excellence you demonstrated to our community this Spring! Over 1,200 senior athletes from all parts of the country visited Pasadena (and surrounding areas) and competed in 26 different sporting events. We are especially excited that Disc Golf became part of our sports menu and congratulate Commissioners Mark and Susie Horn on a phenomenal tournament.

You accepted the challenge to participate in a competition of endurance, strength, agility, perseverance, speed, skill and good sportsmanship. Whether you consider yourself a “senior” at 50, 60 or even 90, you have spent much of your life demonstrating the importance of physical and mental fitness and have raised the bar for all seniors in motivating them in their quest for a healthy lifestyle.

On a personal note, I want to thank each of you for your support of the 2011 Pasadena Games and for proving that leading a healthy and active lifestyle is the key to longevity. I do not know of another “healthy lifestyle” program that makes such an impact on people’s lives. Individually, you have endeavored to achieve your personal best. Collectively, you have striven to help your fellow athletes achieve the achievable. I salute you all—you represent the best of California!

I also want to thank you for being our friends and “extended” family for a brief period of time this year. We hope that Senior Games has made an impact on your lives—we know that it has on ours. We are indebted for the passion that you continue to instill in all of us.

So, celebrate your accomplishments—and HUBBA HUBBA!
