LETTER TO ATHLETES

Congratulations on your participation in the 2013 Pasadena Senior Games and on the level of athletic excellence you demonstrated to our community this Spring! Over 1,450 senior athletes from all parts of the country visited Pasadena (and surrounding areas) and competed in 28 separate sporting events.

We are especially excited that Women’s Basketball became part of our sports menu and congratulate Commissioner Sandra Marbut and players Marilyn Thompkins-Jones and Louise Jones for their vision in creating the Pasadena Senior Women’s Basketball League and making the 3 x 3 Tournament a part of the Games.

2013 also saw the return of Women’s Softball after a 3-year hiatus. Our thanks go to player Cathy Nicholson for spear-heading the marketing and recruitment of 10 teams. 2014 promises to be even bigger and better!

The strength and success of Pasadena’s Senior Games is due in large part to the experience and expertise of our Sports Commissioners. We welcomed to our “family” 3 new Commissioners — Brett Anderson (Pickleball), Sandra Marbut (Women’s Basketball) and John Doyle (Basketball Shooting) and cheered the return of John Letts (Tennis).

As with any event, the Pasadena Senior Games would not be possible with the financial support of our Sponsors. We are extremely grateful to Monte Cedro, Aetna, Capital Group, CareMore, Right at Home and Torrey Pines Bank for their monetary backing and to the numerous in-kind sponsors, all of whom are acknowledged on Page 39 of this Results Book.

As a senior athlete, you accepted the challenge to participate in a competition of endurance, strength, agility, perseverance, speed, skill and good sportsmanship. Whether you consider yourself a “senior” at 50, 60 or even 90, you have spent much of your life demonstrating the importance of physical and mental fitness and have raised the bar for all seniors in motivating them in their quest for a healthy lifestyle.

On a personal note, I want to thank each of you for your support of the 2013 Pasadena Games and for proving that leading a healthy and active lifestyle is the key to longevity. I do not know of another “healthy lifestyle” program that makes such an impact on people’s lives. Individually, you have endeavored to achieve your personal best. Collectively, you have striven to help your fellow athletes achieve the achievable. I salute you all—you represent the best of California!

I also want to thank you for being our friends and “extended” family for a brief period of time this year. We hope that Senior Games has made an impact on your lives—we know that it has on ours. We are indebted for the passion that you continue to instill in all of us.

So, celebrate your accomplishments—and HUBBA HUBBA!
