CAL STATE/USTFF 7TH ANNUAL INVITATIONAL DECATHLON

COMPETITORS INSTRUCTIONS

(Please read carefully)

1. Check over the program and be ready to run at your assigned time. We have a large field and we hope that all competitors will cooperate in keeping the meet moving. This can be accomplished by being ready to compete at all times, helping the judges out and staying alert. Thanks.
2. Heats and flights have been seeded to help you get your best time or distance.
3. Our lockerroom and training facilities are at your disposal. Showers and towels are available. Do not leave your valuables in the lockerroom.
4. Our scorers are working as fast as they can. We will post results as soon as possible. Please check your score periodically. Report errors in scoring immediately. You will be mailed final results.
5. USTFF Awards and special awards will be presented as soon as the final results are tabulated.
6. REMEMBER: a) Three trials in field events; b) you must compete in each event in order to continue in the competition; c) one attempt at each race; d) be ready for your trial. Due to the number of contestants, you will have a limited time to complete your trial.
7. Measurements are made in meters only. The judges may announce your distances in feet and inches for you. Think in meters . . .
8. Check your implements in with the weights and measurements. You will not be allowed to use illegal equipment. (Shot put weigh-in: Saturday 9:30-11:30 a.m. Discus & Javelin weigh-in: Sunday 9:30-11:30 a.m.)
9. You will not be assigned numbers this year. Make sure you are in your assigned lane. Please return in your lane--identify yourself--do not bother the timers while they decide your official time. Three timers are assigned each lane.
10. Be sure and thank the judges at each event. Show them that you really appreciate their time and effort.
11. We hope that you will have a good decathlon score. Good luck and it's been a pleasure having you.

LONG JUMP & SHOT PUT FLIGHTS

High School

All high school athletes will go to the high jump after the 100 meters. Upon completion of the high jump, the 1st 10 athletes eliminated will become H.S. #2 and will go to the long jump. The others will become H.S. #1 and to shot put circle #2. After their second event, they will exchange facilities.
