Thanks for competing in the UST&FF Winter Decathlon. Thanks too for super cooperation in pulling off a record of 88 competitors. 80 competitors finished the two day grind.

Times and marks were well off this year as a soggy track and fierce winds hampered everyone. The meet was very competitive though and I'm sure that a lot of good friends were made over the two days.

This was our fifth annual event and many of the decathlons are becoming good friends. Chester McGaugh has competed in all five and had his best finish this year. Bud Deacon won his fourth straight title in the senior division. Allan West of South High School broke the only record, eclipsing Devon Wheelers 5441 High School record with a 5534 mark. John Dobroth will hold the 30-39 at 5754.

Results have been sent to T&F News, California Track News, Age Group Record Book, Seniors T.C Newsletter, and Community College State Meet Qualifying. You will all be invited back next year.

Suggestions for meet improvement are welcome. Our runways were resurfaced two days after the meet... A better pole vault pit and a few other changes will make us better next year. A unique self-scoring system will be initiated next year too.

Congratulations to our champion and fine athlete Rex Harvey (USAF). Congratulations to all of you who completed your "first". Welcome to the decathlon and to all of you a great 1975.
