U.S. MASTERS REPORT

Less than two weeks after turning 50, the legendary Bill Fitzgerald of Palos Verdes, a member of the Seniors Track Club, broke the world record for men 50 and over with a 4:37.1 mile at the SPA-AAU Masters Championships at Sunny Hills High in Fullerton on June 7.

Fitz's time broke the old mark by ten seconds -- a 4:47.0 set by Australia's Wally Sheppard in 1972.

He also broke the American 800 50+ record with a 2:07.2, beating the 3-week old record of 2:09.1, set in the Grandfather Games by George Paterbaugh of Lake Oswego, Oregon.

Fitzgerald holds virtually every world middle-distance record from age 44 thru 49 - a total of 18 records in all. His 1:58.1 800-meter run in 1973 at the age of 48 has been called "the most outstanding track achievement of all time, surpassing even Jim Ryun's 3:51.1 mile set at age 20."

Information on Bill Fitzgerald per the 1970 Masters US National Outdoor Championship program:

It's Bill Fitzgerald, 45, of the Los Angeles Senior's Track Club who walks away with the hardware.

He's out to win.

At last year's U.S. Masters championships he took the "Athlete of the Meet" as he won the 440 in 52.3, won a strategical 880 in an easy 2:14.6, ran on the winning mile relay team (his leg was 51.1), ran on the winning two-mile relay team and then capped all this on the final night of the meet by beating out Peter Mundle in a 4:37 mile. This performance brought kudos and a picture in Sports Illustrated.

It's not bread alone that carries Bill through such rigors. He admits to no special diet. But his secret might be in training routine. He won't tell what it is, except to say:

It wasn't until Jim Gardner, a friend who's just written a book on computerized running, gave me an interval training schedule that I started improving rapidly.

"I average 7-10 miles a day, six days a week."

Fitzgerald's times haven't fallen much more than his hair, which is full and grey, since his high school and collegiate days at Boston University, class of '52.

Best times in those days were 50.0 for the 440 and 1:53.6 for the 880.

He just continued to get fat and sassy until 1967. And then the seniors bug hit him. It struck one night as he watched a senior's track event, slouched in front of the living room TV.

"I think it was the sight of Jim Gorrell that brought forth the old urge to run," he said.

"I guess it's the actual competition that I enjoy best—that's why I run."

Bill made his over-40 debut at a coming-out race at San Pedro called the Yankee Doodle run. He did a respectable third place.

Scooty Donald from the LA Senior's was watching, asked Bill to join the club, and gave him the encouragement to keep running.

From the East Coast, the Fitzgeralds came to California six years ago. He works for TRW in Redondo Beach as a systems analyst.
