OUTSTANDING PERFORMERS AWARDS

35-39 Division -- There were many fine performances and the decision was difficult, but Davis of the MS was given the honor on the basis of his two fine winning efforts in the 3 mile and 6 mile.

40-49 Division -- This one was easy-- Dave Jackson CDM took home four first place trophies, set two meet records and was on the second place 440 relay team

50-59 Division-- Again a very tough choice!! The only Worlds record for a division was set in this age group, and there were many great marks made by individuals such as Halpin, Escamilla, and Patsalis and Guidet. And since the Meet Director cannot give a trophy to himself, it finally was decided that Gillett CDM, on the basis of two first places, two seconds, a third place, and also a member of the winning 440 relay team should get the award.

60 plus Division-- Another cinch!!! Q. Nichols BAC took 4 first place trophies and two Second place trophies and one meet record back to the mountains with him.

There were 185 entries this year compared to 98 last year and as a result things did not go along as smoothly as the Director wanted. Please forgive us for our errors and missjudgements, and very long time schedule on Saturday. Next year we hope to do better!!

Anyone interested in purchasing six dozen "Souvenir T Shirts" at cost??? They cannot be returned, \$1.85 apiece!!

One parting note: Please adhere to the entry deadline in the future-- It sure is a great aid in making the meet a much <sup>of a</sup> affair ( ordering trophies, making out programs, etc., etc., )

Thank you for being a part  
of the 3rd Annual Grandpa Games
