For schedule purposes we guarantee at least one flight of TJ and SP will start after 1 p.m.

OK, here's the deal. We have the track, officials and timing equipment. If there is any race you've always wanted to do, this is your chance. Bring at least two competitors and we'll try to figure out a way to hold your race. If you want to do a non-metric race, please let the meet director know in advance so we can do the calculation.

The usual info: Fully automatic timing, maximum spike length 7mm, USATF membership required (but if you are serious about this stuff you'll need it for the rest of the year anyhow), unfortunately the facility can not accommodate Steeplechase, Hammer or Javelin. Facility does not provide implements. Please do not ask.
