INTERVIEW QUOTES

FRIDAY AFTERNOON

Page 1

DEBBIE CARROLL, winner of the high school girl's 100 yard dash in :11.2; "The false starts were getting a little nerve wracking. My start wasn't too good".

GREG RUMPLE, From Urbandale, winner, and record setter in the high school 120 high hurdles at :13.9 in the prelims; has signed with Drake. "I didn't have as much concentration as usual. I couldn't get loose this afternoon. I had a little trouble with the back of my leg." "I knew the guy next to me was pretty good and I was a little nervous."

GEORGE STEVENS, (OSU), winner of the javelin; "The rain made it pretty difficult to keep from slipping. My throws were mediocre today."

FRED PARKS, winner of the H.S. 100 Yard dash from Davenport Central; "I got beat out of the blocks but it was a fairly good start. I think I can get my time down to :09.7 before the season is over. I was loose today."

MARSHALL SMITH, Colorado State, winner of the discus at 192'2"; "It was the worst throw I've had in six meets." "My timing was a little off."

DAVID KORIR, anchorman for two-mile relay, H.S., from Cedar Rapids (Washington), split in 1:51.7; "I do good when someone is ahead of me. I just knew that I would catch the man from Dowling."

ROSALYN BRYANT, winner of the women's 220-yard dash, Mayor Daley's Youth Foundation; "I felt I ran the first part of the race well, but I ran the straightway very strong. I had a good start."

AL FEUERBACH, special shot put, 69'5" "I hope I can break the record as soon as possible. I'll be gunning for it in every meet. I felt good today. George Woods might have provided me with a little more motivation."

RAY SETER, anchorman for Prairie View in the J.M. Saunderson Two-Mile Relay, "We ran well but a little more competition would have made us run better. I ran well but I wasn't satisfied. I didn't run the way I wanted to. I couldn't decide how I was going to run the race."

FRIDAY

LARRY JONES, winner of the special 440 yard dash, from Northeast Missouri State;

"I've been keeping up on the Drake Relays all my life. I never thought I'd be here. If Ivory Crockett would have been here it might have been a different race. I warmed up good in the fieldhouse and I felt real good. Ivory Crockett would have made me run that much better."

JIMMY GAILEY, from Baylor, 440 hurdles. "I didn't feel too well at first, but at the 4th hurdle I decided I had better get moving. The wind didn't bother me at all."

ED MORENO, half miler in the high school sprint medley relay for Davenport Central;

"We ran very well as a unit. I was pleased with my own performance."

LORNA FORDE, anchor on the women's 880 relay team of the Atoms Track Club; "I had a lot of trouble on the north-east corner of the track, I don't know why. We were really happy to win here."

J. SINCERE, Grambling, first leg of the college 880 relay. "We figure that if we all ran our leg under :21.0, we can beat anyone. Today our second leg ran over :21.0 so our performance wasn't that good."
