DRAKE RELAYS

"Notes and Quotes"
THURSDAY, APRIL 26

Heptathlon Winner
Corissa Yasen - Purdue
5,326 Points

"I felt pretty relaxed going into the 800. I was a distance runner in high school and I ran 2:15 times consistently so I felt confident but I also know that anything can happen at this meet. I knew that she (Diane Steenstra) would have to beat me by a second so my coach told me to stay in front of her the whole race.

"Yesterday was a bad day for all of us, I didn't start off well. The javelin performance surprised me. I have always had the form down but haven't been able to put it all together. I PR'd on my first throw and looked at my coach and said "It's about time."

NOTES: Yasen's point total was highest in Drake Relays heptathlon since 1990 when Cathy Tyree (Purdue alumna), competing for Nike Coast Track Club, collected 5,631 points....Yasen will defend her high jump title at 1:30 p.m. Saturday...

Decathlon Winner
Kip Janvrin — USA VISA
8,057 points

"I was very pleased with the results considering the elements on the first day. I was disappointed I didn't get the record (Bruce Jenner mark of 8,250—1975). I guess I have to come back and try again next year.

"I didn't vault the height I wanted because I didn't have a consistent wind. I felt I could have run five or six seconds faster in the 1500. I knew I couldn't get the record but I knew what I had to run to get 8000 points."

NOTES: Janvrin earns sixth Drake Relays individual title which moves him into tie with Scott Huffman (pole vault) and Gwen Torrence (sprinter) for most individual career titles at Drake Relays...This was Janvrin's first appearance at Drake since 1992...This marked tenth time Janvrin had accumulated over 8,000 points in decathlon....This marked the first time since 1977 that over 8,000 points were scored in Drake Relays decathlon...The last to accomplish feat was Houston's Steve Alexander (8,005).
