## GREETING FROM WMA'S PRESIDENT

**Stan Perkins**  
**President of WMA**

It is my pleasure to be able to finally bring to a close the XX WMA World Championships, Stadia held in Porto Alegre from 16 to 27 October, 2013. This championship was the first

World Masters competition to be hosted in South America and had been keenly awaited by the athletes from around the world, particularly those from the South American region. For many this was the first time they would have the opportunity to participate at the international level and it was an opportunity that was grasped by large numbers of masters athletes.

The meet was certainly an interesting one that offered athletes, administrators and organisers more challenges than they could ever have anticipated. Yet again this championship proved it is the biggest and most difficult athletics event to organise in the world of athletics. However despite all of the challenges that arose the competition was conducted in an atmosphere of friendship and at the same time intense rivalry. The results that follow in this publication give testimony to the standards that continue to amaze us. Despite all of the difficulties and at times confusion, something that invariably occurs when three venues some distance apart are required and used to meet the demands of the event, the final outcome for the athletes are performances and memories they will hold for a lifetime.

I must publicly thank the officials and affiliate administrators from around the world that worked so hard, in partnership with the officials and volunteers from within Brazil, to make this event happen. It took dedication and commitment to get the job done and they provided this requirement with humour and integrity. Thank you.

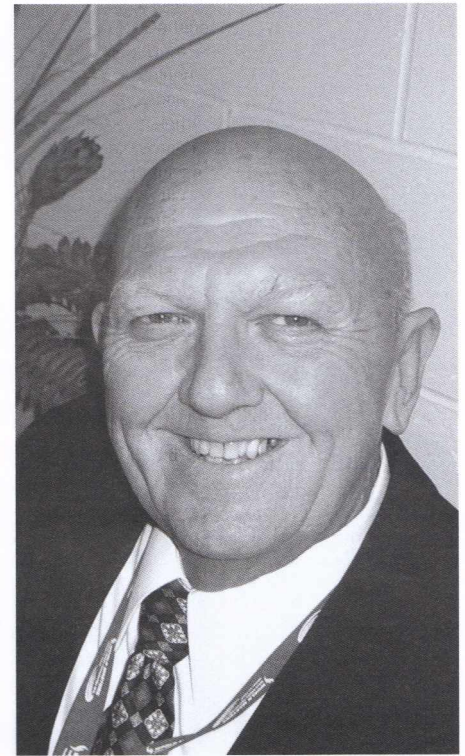

The Local Organising Committee, the City of Porto Alegre, government administrators and the local community also contributed in their own way to make the championship a reality. In particular I would like to acknowledge Vinicius Garcia and his team from Grupo Austral for their outstanding efforts and high co-operation with the WMA team that eventually got us over the line. We met as strangers and left as friends – that is the true spirit of the participant in World Masters Athletics competitions. Thank you Porto Alegre and Brazil.

Tenho o prazer de finalmente encerrar o XX Campeonato Mundial de WMA, realizado em Porto Alegre de 16 a 27 de outubro de 2013. Esse campeonato foi a primeira competição desse tipo a ser sediada na América do Sul e era aguardado com entusiasmo por atletas de todo o mundo, especificamente por atletas da América do Sul. Para muitos, essa foi a primeira vez que eles tiveram a oportunidade de participar em nível internacional e foi uma oportunidade aproveitada por um grande número de atletas.

O evento foi certamente um encontro interessante que apresentou aos atletas, administradores e organizadores mais desafios do que eles jamais poderiam prever. Mais uma vez este campeonato provou ser o maior e mais difícil de organizar evento de atletismo no mundo desse esporte. Mesmo assim, apesar de todos os desafios que surgiram, a competição foi realizada em um clima de amizade e, ao mesmo tempo, de intensa rivalidade. Os resultados que se seguem nesta publicação são testemunho dos níveis que continuam a nos surpreender. Apesar de todas as dificuldades e, por vezes, da confusão, algo que invariavelmente ocorre quando três locais distintos são necessários e utilizados para atender às demandas do evento, o resultado final para os atletas são desempenhos e lembranças que eles guardarão por toda a vida.

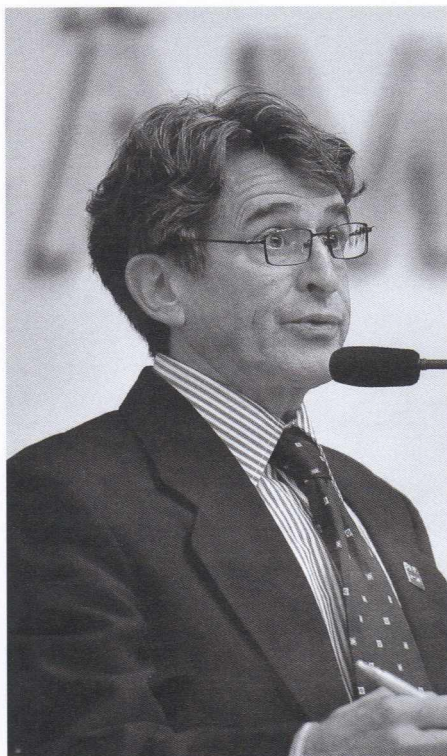

Devo agradecer publicamente às autoridades e aos administradores filiados do mundo todo que tanto se empenharam, em parceria com as autoridades e voluntários do Brasil, para fazer este evento acontecer. Foi necessário dedicação e comprometimento para realizar isso e eles atenderam a esses requisitos com humor e integridade. Obrigado!

O Comitê Organizador Local, a Cidade de Porto Alegre, os administradores do governo e a comunidade local também contribuíram para tornar o campeonato uma realidade. Especificamente, eu gostaria de agradecer a Vinícius Garcia e sua equipe do Grupo Austral por seus esforços notáveis e alta cooperação com a equipe WMA, o que nos ajudou a superar os desafios. Nós entramos como estranhos e agora saímos como amigos – este é o verdadeiro espírito do participante das competições de WMA. Obrigado, Porto Alegre e Brasil!

Presidente da WMA

## GREETING FROM ABRAM'S PRESIDENT

Francisco Hypólito da Silveira  
President of ABRAM

Dear Managers and Athletes

It is with great joy that we take the opportunity afforded by this book to thank everyone for their participation in the XX WORLD MASTERS ATHLETICS CHAMPIONSHIPS STADIA in PORTO ALEGRE – 2013, especially the WMA Directors, the Porto Alegre City Administration - through SME, SMTUR and EPTC, the Rio Grande do Sul State Government - through SEL, FUNDERGS, Military Brigade, Civil Police and SETUR, Infraero and the Federal police, Grupo Austral, ESEF/UFRGS volunteers, Instituto IPA, CBAT and FAERGS, the Sponsors, last-minute supporters, the Command Company and Services of the Military School, Tesourinha Stadium, these agencies' civil servants, family members, and especially all volunteers.

A special salute to the 4,158 athletes and managers of our WMA family from 82 countries who accepted our invitation to come to Porto Alegre. Your participation and results are immortalized in this Book of the 2013 World Championship Results.

It was truly a very special get-together. Our goals were to disseminate our master athletics and hold a World Championship in South America and Brazil for the first time. Without a doubt, we have achieved those goals, given the large number of South American athletes taking part in a World Championship for the first time.

It was a veritable World Championship, considering only 13.5% of the athletes were Brazilian. So, we welcomed to our country 86.5% of visitors from across the world, where 27 world records were broken.

Because Brazil is a continent-sized country, we should also thank the athletes that came from Minas Gerais, Rio Grande do Sul, Rio de Janeiro, São Paulo, Paraíba, Alagoas, Pará, Santa Catarina, Rondônia, Amazonas, Paraná, Ceará, Rio Grande do Norte, Espírito Santo, Goiás, Distrito Federal, Bahia, Pernambuco, Sergipe, Mato Grosso, and Mato Grosso do Sul.

We enjoyed 12 wonderful days where everyone from various walks of life, political orientations, languages and cultures shared experiences in a perfect, deep exchange of respect, showing that athletics dignifies people, brings nations together, and provides a role model for future generations. That is the greatest legacy of the 2013 World Championship. It adds to our enthusiasm and makes us keenly intent on holding more events like this one in Brazil.

We reiterate our thanks to and partnership between public and private agencies that made holding this event possible.

Finally, we dedicate this World Championship to the Brazilian master athletics, Directors who served before us, and current ABRAM Directors who voluntarily spared no efforts to make this dream come true.

Kind regards and see you in July 2015 in Lyon, France.

Senhores Dirigentes e Atletas

É com grande alegria que através deste livro viemos agradecer a presença de todos e todas no XX WORLD MASTERS ATHLETICS CHAMPIONSHIPS STADIA de PORTO ALEGRE – 2013, especialmente aos Diretores da WMA, da Prefeitura Municipal de Porto Alegre, através da SME, SMTUR e EPTC, do Governo do Estado do RGS, através da SEL, FUNDERGS, Brigada Militar, Polícia Civil e SETUR, Infraero e Polícia Federal, ao Grupo Austral, aos parceiros voluntários ESEF/UFRGS e Instituto IPA, CBAT e FAERGS, aos Patrocinadores, apoiadores de última hora, a Cia de Comando e Serviços do Colégio Militar e Ginásio Tesourinha, servidores destes órgãos, familiares, amigos e principalmente a todos os voluntários, nosso reconhecimento.

Uma saudação especial aos 4.158 atletas e dirigentes da nossa família WMA, de 82 países, que vieram a nosso convite à Porto Alegre, a participação e os resultados dos Senhores estão imortalizados neste Livro de Resultados do Mundial de 2013.

Foi um encontro realmente especial. Nossos objetivos eram: divulgar nosso atletismo master e realizar pela primeira vez um Campeonato Mundial na América do Sul e no Brasil, e sem sombra de dúvidas atingimos estes objetivos, visto a grande representatividade de atletas sul-americanos que participaram de um Campeonato Mundial pela primeira vez.

Foi realmente um Campeonato Mundial, pois somente 13,5% dos atletas eram brasileiros, então recebemos em nosso País 86,5% de visitantes de todo o mundo, onde foram quebrados 27 recordes mundiais.

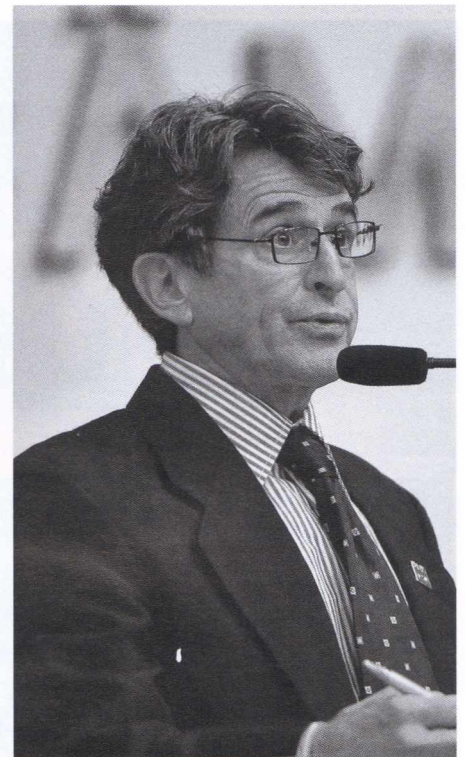

Pelo Brasil ser um país continental agradecemos aos atletas que vieram de Minas Gerais, Rio Grande do Sul, Rio de Janeiro, São Paulo, Paraíba, Alagoas, Pará, Santa Catarina, Rondônia, Amazonas, Paraná, Ceará, Rio Grande do Norte, Espírito Santo, Goiás, Distrito Federal, Bahia, Pernambuco, Sergipe, Mato Grosso e Mato Grosso do Sul.

Foram realmente 12 dias maravilhosos de convivência com diversas posições sociais, políticas, de idiomas e culturais, mas em uma perfeita e profunda troca de respeito, mostrando que o atletismo dignifica os homens, une os povos e exemplifica às futuras gerações. Este é o maior legado do Mundial 2013. Isto dá-nos mais entusiasmo e nos coloca no firme propósito para realizar mais eventos como este no Brasil.

Reiteramos nosso agradecimento e parceria entre órgãos públicos e privados que viabilizaram a realização deste evento.

E para finalizar dedicamos este Mundial ao atletismo master brasileiro, Diretores que nos precederam e aos atuais Diretores da ABRAM que voluntariamente empenharam-se para a realização deste sonho.

Abraços e até julho de 2015 em Lyon na França.
