

ATHLETICS WEEKLY

is a "must" for all Vets — who now have a regular feature in "Vets Corner" giving Vets' results and news, and details of forthcoming events.

SPECIAL OFFER TO NEW SUBSCRIBERS

The normal subscription rate for a 10p publication is £6.50 per annum. We make a special reduction for home (UK) direct subscribers to £5.75. For a period of one month from the date of this meeting we will give and NEW Vet. subscribers a 12 months subscription for only £5. This offer cannot be repeated.

36 - 40 PAGES EVERY SATURDAY

INTERNATIONAL VETERANS ATHLETIC MEETING 1972

**NATIONAL
SPORTS CENTRE
CRYSTAL PALACE**

**7.00 p.m.
THURSDAY 24th. AUGUST
FRIDAY 25th. AUGUST
ADMISSION BY PROGRAMME 20p.**

Be first off the blocks—with Nutrament

the liquid energy food
widely accepted
by top athletes
and coaches

NUTRAMENT has already gained wide acceptance by top athletes and coaches, as a pre-event meal substitute or a dietary supplement during training.

Rapidly digested NUTRAMENT provides an instant source of energy for all sportsmen and women engaged in intense physical and mental activity. Each can contains carbohydrates for energy, body building protein, vitamins and minerals in fact a nutritionally balanced liquid meal. Ready to drink straight from the can. Needs no preparation.

Ask your chemist about NUTRAMENT or write to us for a descriptive leaflet.

NUTRAMENT comes in three delicious flavours—cherry, chocolate and vanilla and costs 26p for a 13 oz. can.

Nutrament
the food for sport

Mead Johnson Laboratories, Division of Bristol-Myers Co. Limited,
Stonefield Way, Ruislip, Middlesex.

WELCOME

This International Veteran's Meeting, over the period 22nd - 25th August, has been inspired by enthusiasts from the United States of America and brought into reality by their counter parts in the British Isles.

Some two hundred active sportsmen from the States, Canada and Australia, plus a similar number from Europe and our Islands, should make a fine and unusual prelude to the Olympics in Munich.

I am honoured to have been invited to be Patron and with Dr. Roger Bannister, Chairman of the Sports Council, enjoyed welcoming most of the overseas visitors and some of their British colleagues in sport to a Garden Party at The White House, Woodford Green on Tuesday the 22nd August. Wednesday 23rd was devoted to Cross Country racing in Epping Forest and now we have a great competition here at the Crystal Palace National Sports Centre.

I wish all of you well — good competition and hope in particular that our many overseas visitors leave these shores with a few friendships made and many happy memories.

Col. Sir Stuart Mallinson, CBE, DSO, MC, DL, JP.

Meeting Secretary — J.L. Hayward, 35 Danbury Way, Woodford Green.
General Secretary — J.F. Fitzgerald, 6 Tyers House, Aldrington Road, S.W.16.

Committee — H.B. Lee, J.C. Jewell, F. Webb, K. Bray, G. Pearson, F. Nickolls, A. Welling, A. Betteridge, R. White, E. Peacock, J. Walker, R. Franklin and H. Down.

COMPETITORS NOTES

This competition is held under the rules of the British A.A.A. and R.S.A. NUMBERS must be drawn from NUMBER STEWARDS near the start of the home straight, (before event declaration) and be worn on the vest back and front. THE SAME NUMBER IS USED FOR ALL YOUR EVENTS. (Please look after them).

EVENT DECLARATION must be made at least 30 min. before the event. Failure to do this may mean that you will not be allowed to compete. (There is a large entry to seed).

START REPORT. Competitors must report in the area of their event in time for checking. RACES WILL START ON TIME and wait for no one.

Competitors must leave the arena after their competition.

Official STARTING BLOCKS will be provided.

IMPEDIMENTS for the throwing events will be provided.
40-49 yrs. Senior implements, 50-59 Junior, 60 plus Youth.

POLE VAULT. Competitors may use their own poles. Only metal ones will be provided.

MEDAL WINNERS are requested to receive their medals as a group and attend the Prize Steward in the centre of the Main Stand. As soon as possible after event completion.

DEFINITION OF WALKING:— Walking is a progression by steps so taken that unbroken contact with the ground is maintained, i.e. — the advancing foot must make contact with the ground before the rear foot leaves the ground. Any competitor whose mode of progression does not comply with the definition of walking to the entire satisfaction of any judge shall be disqualified. Disqualified competitors must immediately retire from the race, remove their numbers and hand those numbers to the judge who disqualified them. Disqualified competitors must on no account pass the recorders at the finish.

EVENT 24

5000 METRE ROAD RACE

This race will start on the track near the Water Jump and finish in the training area on the back straight, after 2 laps of Motor Circuit. It has been found necessary because of the very large entry and the time factor between the fastest and slowest that would produce confusion if they all raced on the track.

40 - 49

Bob Siebens and Bill Fitzgerald
(400 metres former Vets. world
record holder 62.2)

Boo Morcom U.S.A.
Olympic Representative.

Howard Payne, Vets. world record
holder for Hammer Throw (223' 9")

Bud Deacon former world
record holder pole vault.

Dick Stolpe
52 secs., 400 metres
New record.

Your diet — do you think it is important?

Nowadays we are being made increasingly more aware of the importance of a good diet to keep us healthy and fit.

As we become older (which I am afraid is inevitable!) more care should be taken over our choice of foods eaten, because our bodies need more looking after. I shall draw a comparison here between a motor car and the human body. We all know that as a car becomes older, it needs more repairing to keep it in perfect working order; so do our bodies.

Often as people age, they think the content of their diet is unimportant. This is not so; the choice of foods we eat as we get older is probably more critical because in the younger years, most people have healthy appetites, good digestion and includes a wide variety of foods in their diet to provide all the nourishment required.

Taking regular exercise as one becomes older helps to keep one fit. At the same time dietary problems often arise, because the older athlete does not have the inclination to eat many nourishing foods, or poor digestion may make the eating of solid foods difficult before training or competition. However the body still has to receive nourishment in some form otherwise strenuous activity would not be possible.

This Meeting is partly sponsored by the makers of Nutrament liquid energy food. A tin of liquid Nutrament is a nutritionally balanced meal, needing no preparation, and is easily digested by even the most nervous competitor whether child or veteran. It does not claim to be a "wonder food", but a scientifically tested liquid energy food for athletes and non-athletes alike, who are unable to gain the nourishment they need from normal food. Nutrament is now being used by many top sportsmen and sportswomen in this country.

Remember a little saying "As you eat so you are", it is up to each individual to ensure you eat foods you need to provide your nutritive requirements.

By a qualified Nutritionist.

VETERAN ATHLETICS

What is a Veteran Athlete?

Within our sport the definition of such a competitor is "one who has reached that age of forty".

Only a few generations ago that would have meant for most, an age well past the time when active and competitive sport was indulged in. Yet today that position is undergoing rapid revision, for with an ever increasing average life span and a life style that, if used properly, can mean health and fitness of a standard beyond most peoples appreciation, that need not be so - as many of the performances at these Games will prove.

That veteran athletics is relatively undeveloped is an absolute fact, yet a glance at the "Best known World Performances" at the head of each even underlines that an obvious loss in ability need not have set in. Both Howard Payne with the Hammer and Paul Colnard with the Shot have set National Records since becoming veterans and the great Mimoun continued to represent France well into his forties. If one reflects on Jack Holden and Don Finlay, then the spectrum of running is encompassed, for the former was a Commonwealth and European Games Champion in the marathon (1950) and the latter continued to give a brilliant example of speed and mobility over the high hurdles by equalling the Native Record of 14.4 sec. at forty and ran for his country at this event until he was forty-two.

That such remarkable performances will become more and more common from now on is a certainty and should only encourage athletes to continue in our sport, or when family responsibilities have eased - do what many of this meetings participants are doing - make a come back.

There will be over 400 individuals competing at this meeting. The youngest being George Daborn (200 m, 400 m, 400 mH) who is forty on the first day and the eldest being Duncan Maclean, a fantastic 87 years of age *!!!! In the sixty plus class there are almost 70 others, one of them being the remarkable Bud Deacon of the U.S.A., one time World Record Holder who is still a fine all rounder and can clear near 11' 0" in his speciality the pole vault.

Other remarkable athletic examples, in a different way, are 50 year old David Pain (U.S.A.) and 53 year old Len Burnett (G-B), two men who didn't take up sort (let alone running) until their late forties - their possible clash in the 1500 m should be interesting. A little older there is Arthur Tancred (G-B) father of Bill the Discus British Champion and Record Holder and last but not least a certain Len Batt (G-B) whose sprinting ability and physical shape at almost sixty !! would put to shame many men in their early thirties.

One could probably write a book on many of the human stories that competitors could recall - but this isn't a book, so just lets mention Norman Duff from Australia. Now 41 years of age some would say he is lucky to be around let alone competing - for in 1968 he was hit by a truck while training, suffered fractured skull, jaw, cheekbone, ribs and hip and was reported by the Ambulance attendant on arrival at hospital as "dead". A 14 pint blood transfusion, a hell of a lot of spirit and will and two years later he ran a personal best marathon of 2 hrs. 26 min. 8 sec. (If that doesn't shame some to activity then nothing will.)

To close - suffice to mention some of the 20 odd competing athletes who have won National Titles or competed in International or the Olympics for their country. The great Dave Power from Australia, Rudy Hochreiter of Austria (before he went down under), the American Olympian Steve Seymour with fellow countryman Roger Ruth and the British whose honours span from the later forties onwards in the persons of Norman Dear, Ray Petitjean, Roy Morley, George Coleman, Bill Stoddart, Ken Wilmshurst, Eric Shirley, Ken Wood and Gordon Miller.

There are others - but you enjoy looking for them in the programme or competing against them on the track or field, for this is an occasion to be proud of.

John L. Layward,
Meeting Secretary
