TRACK SUMMER OF 174

The US Masters International Track Tour-Canadian Masters and US Masters

Contributed by Ed Phillips.

Friday, June 28th saw a number of club members joining our friends from Southern California on a CP Air flight to Vancouver. We stayed at a Univ. of Brithish Columbia residence hall overlooking English Harbor and the mountains rising out of the se to the North. It was as spectacularly beautiful as anyplace I've ever been. Anyhow, we arrived in time for dinner and opening reception. The weekend was filled by 2 days of competition, a dinner on Saturday and a banquet hosted by the British Columbia Provincial Government on Sunday. Many club members won places in the competition as follows: _

Monday we left Vancouver by motor coach and ferry for Vancouver Island and Victoria which was beautiful as always. We continued after a day stopover by ferry to the Olympic Peninsula, the Rain Forrest, and Hurricane Ridge overlooking many glaciers and then on to Portland. We arrived the evening of the Fourth. The meet was on a new format, three days with five year age groups and 3 places. As a whole, the club membership put forth its best ever showing with some sixteen first place awards including four in the tough Division

Congratulations to all of the above !!

The complete results are below with all club members and a few others from Northern Calif. indicated by x's. As you can easily see, there are a lot of x's nice going troops!! One name familiar to most of us is Al Guidet. We picked up an incredible total of 6 Gold medals to go with the six first place awards he won in Vancouver to out place most teams. In fact, if Al had still been one of our members we would have been the strongest team at Gresham! One further note-Tony Puglizevich won the outstanding Track Athlete Award for his division- 3B- Congratulations, Tony! 1

Unfortunately, all other club members had to leave the tour after Portland but your president went the whole way and enjoyed himself immensely. We went to the fair in Spokane and on to Kalispel, Montana and Glacier National Park. We entered the 35 KM walk from Kalispel thru Whitefish and up the mountain. The next day we motored to Radium Hot Springs and eased aching muscles into healing waters. The following day was busy with a bus ride thru the Canadian Hockies to Lake Louise and Banff; then on to Calgary and an evening at the Calgary Stampede. This was followed by a feww day and a last night gathering for dinner on Saturday. Sunday was occupied by flying home—all in all a fantastic trip—the US Masters International Track Tour is highly recommended to all of you.

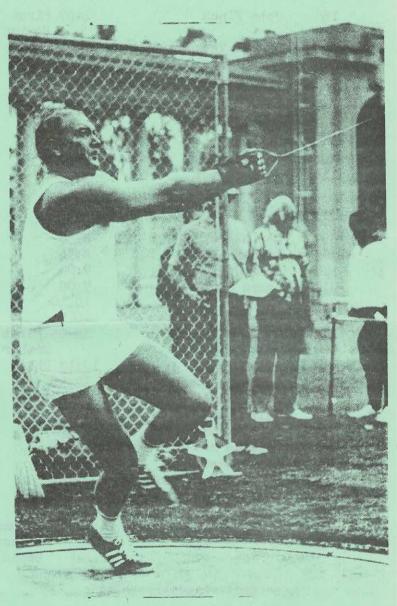

In the last issue, I promised an article about our track and field chairman, Chet Steele. Since that time Chet has further distinguised himself at Gresham, but more about that later.

Chet was born in New York City, and educated in New York until he attended Calif. State University at Sacramento with a major in Industrial Management. At present, he is Comptroller at the Defense Depot Tracy in Tracy where he lives with his wife Margaret, and their 3 sons- aged 18, 15, 13- all active in various sports in school.

Back in 1970, Chet saw an "ultrasmall" press release about a Seniors Olympics in Los Angeles. This led him to call the PAAAU which referred him to Emmett Smith who introduced him to the NCSTC. That year, 1971, he tried the javelin, Shot, Discus, and Hammer. After several Seniors Olympics in Los Angeles, National Masters in San Diego and 4 seasons of NCSTC meets, he has pared his conditiong and fitness training down to the Discus and Hammer. He has done well too, this year he placed second behind Hal Connolly at UC Irvine in the Seniors Olympics with a 126'3" Personal Record Hammer Throw and was Fifth in the Discus. Then at Gresham in July, he become National Champion for age 40-44 with a 122'5" Hammer Throw and was 6th in the Discus.

Chet was a 440 man in High School, College, and the Air Force, so considers himself a relative beginner at the field events, so is particularly pleased with his personal record improvements against the more experienced field men. He believes the "winners" are the men and women who train or exercise regularly, don't weight train more frequently than alternate days on a sensible and safe program, and balance the Track and Field activities with aggressive walking, swimming, tennis or bicycling to challenge their cardiovascular systems. In addition, Chet who has described himself once as a lover not a fighter who agrees with Walt Stack and John Hutchinson that dirty old men need love tooat least that provides some cardiovascular stimulation, too. Chet feels that training for field events is just as lonely as running, but to improve just a token for a years worth of training is still a degree better for mental and physical well being than not doing "your thing" at all.

All of this has been good for Chet who has lost 37 pounds over the past year and whose blood pressure has migrated from 150/110 to 120/80. He adds that he has noticed the growth in Division 111(60+) and Division 1V (70) so feels that we must be on the right track. I think I'd have to agree with that, Chet.

Above is a picture of Chet that appeared in his Tracy newspaper in July, 1973. The picture was taken at the Masters meet in San Diego last year.

PIKES PEAK MARATHON-AUGUST 11,1974

From the way he talks about it, running Pike's Peak must be an orgamic experience for our inimitable Walt Stack. Once again, he ran both ways and although lost his record for the ascent to some young kid of 60, but still retained his over 60 record for the round trip. One of the notable performances was from Marcie Trent, a 56 year old female from Alaska who placed 2nd woman in the ascent. Also, our 72 year old Ben Hirsch did the one way in 5:25- well done, Ben. RALPH (LEFTY) YORK- One of our Sexagenarians !

Another of our members has met fame in his hometown because of his activities with the NCSTC. The Turlock Calif.

Journal published and article about Ralph (Lefty) York on July 7, 1974 after he set a new world record at Gresham. I quote from that article:

"How does a person who has retired after 29 years on the same job and lived a life span that covers seven decades, find a way to combat idleness ? York, a member of the 300 strong NCSTC recently set a goal he started two years ago, by setting a world mark in the shot put in his age group. The 61 year old retired Calif Highway Patrol Officer tossed the 8 pound shot put 44-1. ... Ralph whose first love has always been boxing, said he pursued his track career for health motivations, althohe has always been a sports enthusist in the area.... Now he is back to his daily chores on the farm he owns near Turlock but when asked how long he will prolong his track career, Lefty cracks, "Oh, I guess until I can't creak up there anymore."

Here's the picture that appeared with the article- hope you'll be with us for many years, Lefty.

A few months back this title would have conjured up visions of Tony Curtis and Terry Thomas battling the adversities between Paris and London; but the real Great Race, the dream of a gregarious Greek restauranteur, took place in Sacramento on July 27th and involved 3person teams of runner, boatman, and cyclist. The aforementioned Greek, Mr. Eppaminondas Johnson felt he could combine his love of water sport with his love of his Eppie's restaurants and have a little fun in the doing. A little funlike 10-15 teams, but he didn't count on Sacramento Slim, Jim O'Neil, who infected the Bay Area with Eppie-itis; 51 teams showed up at Eppie's parking lot and the accent was suspiciously heavy on outsid-

The course was described thusly: 1st team member to run 2.7 miles, turn over a numbered bib to the boatmen, who is to propel said craft (no motor driven vehicle) over 5 miles of the American River and turn his bib over to the cyclist, who covers the remaining 5 miles to the finish at another Eppie's restaurant. After seeing the initial turn over on the banks of the American, runners and spectators had the option to go to the finish or watch the exchange between boatman and cyclist: most chose the latter.

It was an ordeal of skill and strategy, with some teams heavy on the strategy. Crutchlow, for example with teammates Stagliano and Beale the Bike, was heard to proclaim "it's all in the bloody boat" as he slithered into the American with a 25 foot racing skull; and it was a good plan too- Ken is an excellent skullerbut alas, the river had rapids, and at least 5 feet, of the bloody boat didn't make it. Our team, one of3 women's teams, was immediately voted the least likely to succeed when word got out that Grace Ruth had never entered foot into a kayak until the day before, but she rose to the challenge and showed a lot of brawado and fared better than many in the rapids. Skip Swannack ding-a-ling-alinged us in for the 2nd women's team.

On the other side of the spectrum, it was easy to understand the strategy of Sacramento Slim, Gunther and Don Pickett, intimidating in their team shirts; it was to win. Jim put Gunther in a comfortable spot as he turned over the bib but it was Gunther's show all the way. This ex-member of the US International Kayak team showed us what it is all about. He was so far ahead when he relayed to Don Pickett that Don, an excellent cyclist, could have ridden to the finish on balloon tires and training wheels and still have won the race. The second place team had Toby Pickett as anchor giving a 1-2 win for father and son.

This Great Race was Great fun, with some minor changes it has the potential to be huge. And "Eppie" does it rightfree hot dogs, beer, and a jazz band at the finish plus an old big-wheeled bike for Buck and Pax to play on- delicious Eppie breakfast for the first 38 teams, all of whom beat Eppie's team record- generous prizes and all proceeds to a local drug rehabilitation program, the Aquarian Effort.

So, plan ahead, devious strategies are already being formulated for next year. But it is only fair to fill you in on Jim O'Neil's announcement at the awards ceremony: he and Don have signed Gunther to an irrevocable 10 year contract. (Finisher-Runner, Boatman Cyclist)

All members are welcome, and all officers are uged to attend the next executive board meeting which will be held on Tuesday, Sept. 10th, at the new home of Elizabeth and Bernard Berger- 2646 Tamalpais Drive in Pinole, Calif. We will have a potluck dinner before the meeting at about 6:30 PM. Please call Elizabeth and let her know what you can bring toward the dinner- also to let her know whether or not you can attend. Call Liz after 6PM at 758-8907. The meeting will start at about 8 if you can't make it for dinner.

To get there, take the East Shore
Freeway (17) and take the Pinole turnoffalso marked Pinole Valley- follow east on
Pinole Valley Road to Simas- the highway
becomes just a two-lane road at this point.
Turn on Simas to Tamalpais which is a
distance of about .4 mile.

Among other things, we will be discussing the possibility of a major track meet for the area. Please feel free to attend either the dinner or meeting.

POLICE OLYMPICS

Lee Adams has done it again- this time in the eighth Police Olympics in Rancho Cordova which qualified him for the first International Police Olympics in San Francisco Aug. 28-31. Lee, a Calif. Highway Patrol officer out of Vallejo was the big winner, earning 7 medals.

He was first in the senior 13-mile run in 1:08.15(reputedly a short 13 miles), took second in the six and three mile runs, was third in the 3 mile walk, mile run(5:17.) and mile walk and fourth in the 440.

More than 1800 law enforcement officers took part in the competition which included such diversified events as archery, horse shoes, table tannis, handball, sailing, arm wrestling and water skiing.

Congratulations to you Lee, we'll be looking for you to do well in San Francisco.

LAKE TAHOE RELAY

Thank to Jim Nicholson

For those of you not familiar with this race, it is a 7 man relay, with each lap approximately 10 miles around Lake Tahoe. It has been held for at least 6 years to my knowledge and is always a popular event. This year, it was on Saturday, August 17, and there were a total of 70 teams. Our club placed as second over 40 team, behind, you guessed it, the West Valley Joggers and Striders. The over 40 teams received an hour handicap, and the NCSTC team placed 28th overall. Our team was composed of Frank Harrison, Bob Porter, Pete Mattei, Colin Templeman, Richard Hart, Jim Nichelson, and Bob Malain. Well done, gentlemen; Sorry I do not have lap times or the exact finishing time to publish. Incidentally, the overall winner was the West Valley Track Club who set a record for the course this year.

HOSPITAL CORNER

So sorry to hear that Paul Reese, one of the founders is in the hospital after a recent rafting accident. He dumped in some rapids and broke 3 ribs and had some internal bleeding which is apparently checked since he is expected to go home this weekend. Paul will probably be out of the "running" for 6 weeks, but if I know Paul will be in top shape in no time. We'll be thinking of you Paul, they can't keep a good runner down!!

NATIONAL AAU MASTERS DECATHLON

CHAMPIONSHIP August 3,1974
Contributed by Joe Durrenberger.

Taking off from Alameda in my trusty Chevy on Saturday morning, I arrived in Santa Maria by noon. After locating Allan Hancock college, I joined the spectators for the second day of competition.

The scoreboard showed the division leaders to be 40-49 group Jacob Coss. (Santa Barbara) 3.026; Bruce Hescock (Bethany, Conn.) 2.964; Harvey Schellenberg(Reedley, Ca) 2910; in the 50-59 age, Pete Fetter (Redondo Beach) - 2026- the only competitor in that ageagroup. The 60 showed Bud Deacon (Honolulu) 1637, John Dick(Hayward) 1052 far ahead of the other two competitors in the 60 group who werr Russ Hargreaves of Santa Barbara and Doodles Weaver of Burbank. Doodles kept us entertained withwise cracks in between events; The spry 62 year old Doodles used to play with Spike Jones band.

The closeness between the top three in the 40 group remained thru the next 5 events. Bruce Hercock's superiority in the pole vault, & discus offset Jake Coss' first place finished in the 110 Highs and 1500 meter finale. When it was over the weinner was Hercock with 5,987 edging past Coss with 5975 and Harvy Schellonberg third with 5729 points. These first 3 finishers broke the existing world record for the decathlon!

There were 8 entrants in the 40-49 group- fourth place went to Harry Hawke of the SanDiego Track Club-4829 pts, 5th to Lee Thomas of Hawaii-4041, 6th to Dave Douglass of the Bewerly Hills Striders-3068, seventh to Jaxk Wilkens of Santa Maria with 2305, and Douglas Dittmar of Salvang failed to finish due to an injury.

Pete Fetter won the 50-59 while Bud Deacon won the 60 and over.

Some of the outstanding marks were 15.8 for the 110 HH by Coss, 2017" long jump by Coss, 11.3 for 100 meters by Coss, 53.7 400 meters by Coss and a fantastic 4:38.4 finishing 1500 meters by Coss. Hescock's strength was seen in 6½" high jump, 20'3 3/4 long jump, 125'6" discus, 12'6 3/4 pole vault and 156'1" Javelin.

Seeing the fabled Bud Deacon perform and the outstanding performances of Hescock and Coss were most impressive. In fact, so impressive as to discourage this 392 year old. Oh, well, back to the drawing board, but gang?

AGE OF THE RUNNER

Our president wishes to put in a plug for the latest Runner World booklet of the month, due to come out any day now, entitled "Age of the Runner"-about the effects of age on performance. It will be \$1.75 and you may get one by writing to Runner's World Post Office Box 366, Mountain View, Calif. 94040. While you're ordering, get a subscription to the magazine, it is excellent.
